

# Long Crendon Football Club

## Founded 1886

Having long served as a football club for the community, Long Crendon FC are now embarking on an exciting and challenging next step in their history to extend the club even further as well as establish a purposely built sporting facility to serve all ages. Not only will this include a football stadium fit to accommodate future successes via the Football Associations ground grading requirements, it will also include an all-weather artificial pitch with additional playing areas to host the senior teams, each one of the junior clubs, a new ladies' team as well as the wider local community all year round.

Whilst this is very much an ambitious project and one that will be achieved over the coming three-year timescale, grants, plans and applications have already been established to create such a facility that brings all Long Crendon teams back into the village on a permanent basis. We feel this will then ensure even greater participation and inclusion which has been a huge factor in the club's recent successes and seen numerous players transition through the year groups as well as from neighbouring clubs into our adult teams.

With the senior teams more recent seasons having witnessed back to back promotions and several cup wins, we are now seeking the immediate support of both volunteering and individual backing as well as financial assistance through the numerous sponsorship initiatives we are currently running. This will continue to enable the wider club to grow and expand as we move towards a fully-fledged community setup.

Although this is only a small glimpse into Long Crendon FC's past, present and future, I hope you are able to see the true potential of this amazing project and if possible join us in supporting the club any way you can.

For more information and details of how to support the club and how it can benefit you, please get in touch via email at - [sponsorship@longcrendonfc.co.uk](mailto:sponsorship@longcrendonfc.co.uk)

### Player Sponsorship Package

For the 2018/ 2019 season, Long Crendon FC are now opening the opportunity for businesses or individuals to sponsor their favourite LCFC player ahead of the club's imminent move to their new home at Oxford City FC. Priced at £100 for the season, you will enjoy all of the following benefits:

- Programme Recognition – Company Logo & Short Bio on Every Matchday Programme
- Website Recognition on Associated Players Profile & Sponsors Page
- Company Branding on Players Match Day Tracksuit – ***(Bought From Fee Provided)***
- Two Free Hospitality Tickets for A Game of Your Choice
- Invitation to End of Season Player Awards Evening
- Announcement Post on Our Social Media Platforms
- LCFC Branding Pack – For Use on Your Website & Marketing Information

All charitable donations and sponsors have the added benefit of being completely tax deductible to registered businesses.

It's an ideal way to help support the playing squad by sponsoring your favourite player be it, a friend, colleague or employee of your business. All of LCFC's players are unpaid and will continue to be as we move towards fulfilling our main objective of creating a community sporting facility in Long Crendon for all ages.
